Program	Period 1 (Jan-Mar)	Period 2 (Apr-Jun)	Period 3 (Jul-Sep)	Period 4 (Oct-Dec)	No. of Sample sets	Costs (excl. VAT)
click + to open a program group						
+ Soil						
- Plants						
i IPE - International Plant-Analytical Exchange	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	1	€ 725.00
+ Fresh water sediment						

2. Verify your participation

Verify if you want to participate as permanent member. Permanent members get discount 3% and are free of administration and shipping costs.

I want to subscribe as permanent member (discount 3%, no administration fee and no shipping costs). This subscription will be continued yearly until it is cancelled by customer before 1 October.

Total programs	€ 725.00
Discount permanent member 3%	€ -21.75
<hr/>	
Total amount (excl. VAT) in Euro	€ 703.25

Note: If you want to participate in an ongoing round (period), we will contact you if participation for that round is not possible anymore (application date to close to the deadline of that round).

Prices for our proficiency tests and reference materials are excluding VAT. Shipment costs will be added in a later stage or the ordering process. It should be noted that customers outside the Netherlands may also incur local charges, including (but not limited to) customs clearance fees, import duties and local taxes. The total amount payable may be higher.
